***READING and LISTENING TO
THE NEW TESTAMENT
IN A YEAR***

In only three to five minutes a day, you can read through the New Testament in a year or listen to it on a pre-recorded disc or tape or online. This works out to about one page per day. Www.YouVersion.com (YouVersion at the app store) is a great option for your computer or mobile device with several different translations available in audio format. The English Standard Version (ESV) audio version is very well read and easy to follow.

The months are numbered rather than named so that you can start using this calendar any time during the year. If you miss a day, don't worry about it, just keep going when you have time. Even if it takes you more than twelve months, it will be worth it.

You can keep track of where you are by checking the boxes for the readings as you finish them.

Reading the Bible keeps us in touch with God, helps us to know Him better, enriches our lives and guides in how to follow His teachings:

**Jesus therefore was saying to those Jews who had believed Him,
"If you abide in My word, then you are truly disciples of Mine; and
you shall know the truth, and the truth shall make you free."
(John 8:31-32)**

**All Scripture is inspired by God and profitable for teaching, for
reproof, for correction, for training in righteousness.
(2 Timothy 3:16)**

May God bless you and guide you as you read His Word.
